

2019-2020 Student Password Information for Digital Access

Student passwords for online services listed below were updated on Friday, August 23rd. Please review the table below for updated login information.

Grade	NCedCloud	Windows Computer	Chromebook/CMS Google
9-12	Username: Student ID Password: Unique passwords created by student last year	Username: Student ID Password: 8-digit birthdate YYYYMMDD Example: Username: 12345678 Password: 20101125 (student born 11/25/10)	Username: Student email Password: 8-digit birthdate YYYYMMDD Example: Username: 1234567890@student.cms.k12.nc.us Password: 20101125 (student born 11/25/10)

Notes Regarding Teacher Resetting Student CMS Google passwords:

- Once signed into your CMS Chrome browser account, you will see the extension to reset student CMS Google passwords. Enter NCID# then your CMS 5 digit employee ID #

Notes regarding NCedCloud Student Accounts:

- Any teacher-of-record can change a student's NCedCloud password from the teacher's NCedCloud portal. This process is documented here:

<https://my.cms.k12.nc.us/departments/techserv/stuapps/powerschool/Documents/Teachers%20Changing%20NCEDCloud%20Passwords%20for%20Their%20Students.pdf>

- Students in grades 9-12 new to CMS as of August 26 will need to claim their accounts and set their password. This process is unique to new students and is documented here:

<https://ncedcloud.mcnc.org/claim-my-account>

Access to the Student Portal (for NCedCloud and Clever)

To access the CMS student portal go to <https://wearecms.com/>

1. Hover over Students in the header, then select Student Portal in the menu that appears.
2. Select the desired application.
3. Log in with the NCedCloud credentials for the student's grade level.

IMPORTANT NOTE regards secure passwords in Grades 9-12:

Please **DO NOT** make a mass change to change all student passwords so that they are the same (by grade level or by whole school). This is a violation of security policy. Students must have a unique password.
